

This current issue is dedicated to  
the Assistant Editor and International Affairs of our journal  
**Burcu Yakışır Girgin**  
in memoriam

*December 8, 1986 - endless*

[Burcu Yakışır Girgin](#) graduated from the Department of Electronic and Communication Engineering at Çankaya University in July 2010. She started her graduate education at Gazi University in 2011 by transferring to Çankaya University where she was awarded a scholarship for success and has continued her Ph.D. education at Gazi University since September 2017. After her bachelor graduation, she established her own company with the support of Technology Capital Support from the Ministry of Science, Industry, and Technology. She has received the support of R&D and Innovation with her device used

in community safety developed in her master's thesis. She has continued her engineering research based on research and development since April 2011. The university academic life, which started in January 2014, is still continuing at Ankara University. She provides consulting for the support of institutions providing research and development support to the firm. She volunteers to help develop the work of students and entrepreneurs, their projects and their companies.

"My Dear friend Burcu,

The things that make us alive are what we have left behinds us. You have left so much to me with your justice, limitless energy, helpful and hardworking manners. I am very lucky to have you as my friend for 14 years. You were my gleam of hope with your smiling eyes. Your absence is so hard and painful. I will always remember you a nice smile. I will miss you so much and you will always be in my heart. I will always be missing all the time".

Mağmut KILIÇASLAN

"My Sweetheart Burcu... You were my only hope light in my desperate days... A piece of me passed away with you... I realized that every moment was precious and unique with you... Rest in peace my little but bigger sister. " Yonca ÖZATKAN

"My unique beauty friend... Your lively energy, your new ideas unlimited, to see the future very well before, without thinking of running whoever asked for help ...

What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget.

May knowing you're in the hearts and thoughts of others help you and yours through this time of sorrow."

Ufuk TANYERI

"Burcu is a real entrepreneur. She is very hard working, a capable project manager, and a technical person. An expert in lighting system design and production, a lecturer, and a manager in the vocational school, and a businesswoman, she has a tremendous amount of energy and stamina."
